

Glenn Hernandez

CISO, OpEdge Solutions LLC
Former U.S. Coast Guard CISO

Glenn is passionate about creating strategic partnerships to revolutionize organizational transformation with resilient technology to meet mission objectives. Glenn is a senior consultant with OpEdge Solutions. He served over 26 years in the U.S. Coast Guard and retired in July 2017. From 2013-2017, he was the Coast Guard's Chief Information Security Officer. Glenn co-authored the Coast Guard's Cyber Strategy and led the Coast Guard's first-ever Cyber crisis response based on the National Incident Management System framework. Glenn has extensive experience with major acquisitions, systems engineering, intelligence operations, cyber strategy and policy development. He has a Master of Science degree in Electrical Engineering and is a Certified Information Systems Security Professional.
