Vietnam Veterans Memorial Fund Teams With TV Worldwide for Live Web Simulcast of Annual Memorial Day Observance at the Wall on USVets.TV and Maritime TV

Event Available via Satellite and Webcast to American Troops and U.S. Citizens Worldwide With Special 'Tell America' Webcast Salute to Role of Merchant Marine in Vietnam War

CHANTILLY, VA -- (MARKET WIRE) -- May 25, 2007 -- TV Worldwide, a web-based global TV network, in cooperation with the Vietnam Veterans Memorial Fund, Base Technologies and 'Tell America,' will simulcast live via satellite and the Internet, the Annual Memorial Day Observance at the Vietnam Veterans Memorial from 1:00 - 2:30 PM ET on Memorial Day, Monday, May 28, 2007. TV Worldwide will feature the simulcast on its Internet TV channel for the community of America's veterans, USVets.TV, for the fifth consecutive year in addition to Maritime TV (www.maritimeTV.com).

During the simulcast Tell America (www.TellAmericaTV.com) the campaign to increase awareness of the importance of U.S. flag merchant shipping fleet to America's prosperity and security, will feature a special salute to the role merchant mariners played throughout the Vietnam War.

People around the world can participate online through the Internet simulcast, accessible through www.vvmf.org, www.usvets.tv and www.MaritimeTV.com where it will also be archived after the event. In addition, the simulcast will be available to broadcast media outlets via satellite at the transponder coordinates, below.

More than 3,000 Vietnam veterans and supporters are expected to attend this year's ceremony. The Vietnam Veterans Memorial Fund, the non-profit organization established in 1979 to build the Vietnam Memorial, is grateful to Tell America, Base Technologies and TV Worldwide for their support this year in covering the 2007 Memorial Day Ceremony. "These organizations enabled us to bring this year's ceremony to American veterans and their families around the world," said Jan C. Scruggs, Founder and President of the Vietnam Veterans Memorial Fund and the master of ceremonies.

Featured speakers will be: Gen. Barry McCaffrey, USA (Ret.); John Rowan, National President, Vietnam Veterans of America; Maj. Gen. Gale S. Pollock, Commander, U.S. Army Medical Command, acting Army surgeon general, and chief, Army Nurse Corps; Joseph M. Lawler, Regional Director, National Capital Region, National Park Service; and Diane Carlson Evans, Founder and President, Vietnam Women's Memorial Foundation. Jan C. Scruggs, Founder and President of the Memorial Fund, will be the master of ceremonies. The Pledge of Allegiance will be led by 1st Sgt. Walt Sides and Sgt. Artie Muller of Rolling Thunder®.

Before the ceremony begins, there will be a short procession by Veterans of the "Hill Fights" of Khe Sanh, Vietnam, who are marking the 40th anniversary this year.

The names of three servicemen recently added to The Wall will be read by Ann Pruett of Sherman, Texas, the wife of Army Sgt. Richard Monroe Pruett. Recently added names are:

```
-- Navy Fireman Apprentice Joseph Gerald Krywicki, Holton, Mich., (15E,
Line 26);
-- Army Sgt. Richard Monroe Pruett, San Diego, Calif., (21W, Line 38);
and
-- Army SP4 Wesley Alvin Stiverson, Monticello, Ill., (7W, Line 73).
```

Country music singer Keni Thomas will perform beforehand, from 12:30 p.m. to 12:45 p.m., and will sing his new song, "Last Band of Brothers" during the ceremony. Dave Gardy, Chairman and CEO of TV Worldwide, commented, "We are pleased to work with the Vietnam Veterans Memorial Fund, Tell America and Base Technologies to once again make this content available to veterans worldwide on Maritime TV and USVets.TV."

"Base Technologies takes great pride in sponsoring this simulcast for the brave men and women currently deployed around the world protecting our nation's freedom and democracy," noted Gary Nakamoto, CEO of Base Technologies.

TV Worldwide's USVets.TV Veterans Channel is dedicated to all United States veterans of all services and their families. TV Worldwide and the channel sponsors would like to salute America's brave men and women whose sacrifices have preserved our freedom and protected national interests around the world. USVets.TV, (www.usvets.tv), archives streaming media TV Worldwide produced at VVMF events such as Memorial Day, Veterans Day and other ceremonies to recognize the contributions of American veterans and highlight the issues of importance to them.

Satellite Transponder Coordinates are as follows:

SATELLITE: SBS-6 TRANSPONDER: 2

DOWNLINK FREQ: 11749.5 MHz (V) Polarity: Vertical

Ku Band

Bandwidth: 43 MHz analog

Viewers should tune in online at 12:20 PM (ET) and have the free Windows Media Player installed prior to the event.
About Vietnam Veterans Memorial Fund

Established in 1979, the Vietnam Veterans Memorial Fund (www.vvmf.org) is the non-profit organization authorized by Congress to build the Vietnam Veterans Memorial in Washington, D.C. Today, it has developed a series of outreach programs dedicated to preserving the legacy of The Wall, to promote healing and to educate about the impact of the Vietnam War.

About TV Worldwide.com Inc.

As a pioneering global Internet broadcasting and streaming media company, TV Worldwide (www.tvworldwide.com) developed the first Internet TV network of community-based Internet TV channels, including Maritime TV (www.MaritimeTV.com) and USVets TV (www.USVets.TV). Each channel serves targeted, special interest demographic audiences worldwide, ranging from the community of people with disabilities to the Homeland Defense industry. Fortune 500 companies, 15 federal government agencies including the Department of Homeland Security, and numerous International Associations, including the National Association of Broadcasters, use TV Worldwide's live and archived state-of-the art video streaming content applications and Internet TV channels. In recognition of the company's unique achievements in new media, TV Worldwide was selected by the National Academy of Television Arts and Sciences (NATAS) to webcast the 58th annual Emmy awards for Technology and Engineering in December of 2006. TV Worldwide has been named one of the streaming video industry's "Hottest Streaming Companies" by Streaming Magazine and CEO Dave Gardy was honored by the magazine as one of the 50 Most Influential People in Streaming Media. Mr. Gardy also currently serves as the President of the International Webcasting Association (IWA) (www.webcasters.org)

About Base Technologies

Base Technologies, Inc. (www.basetech.com) offers professional technical and management services to its clients and provides cost-effective, resourceful, and well-planned solutions. Its mission is to ensure that clients successfully reach their goals. Base Technologies is the "technology connection to the world."

About the Tell America

Tell America is the campaign to increase awareness of the importance of U.S. flag merchant shipping fleet to America's prosperity and security. For more information, please go to www.TellAmericaTV.com.
