GovSec, U.S. Law and Ready! Selects TV Worldwide's "Homeland Defense TV" Channel to Webcast Expo for 7th Year
ePlus, EDS, Intelli-check - Mobilisa, Sig Sauer, Code3, Sage Technologies, FNH USA, Base Technologies, Enera, T3 Motion and Others to Be Featured Along With Keynotes, Interviews From the GovSec, U.S. Law and Ready! Show, Live From Washington, D.C., April 23-24, 2008

CHANTILLY, VA--(Marketwire - April 23, 2008) - TV Worldwide, a global Internet TV Network announced that it had again been selected by 1105 MEDIA, Inc. to webcast the GovSec, U.S. Law and Ready! Conference and Exposition, from the Washington Convention Center, April 23-24, 2008. As before, TV Worldwide will webcast the event on its Homeland Defense TV Channel (www.homelanddefenseTV.com), originally launched in partnership with Homeland Defense Journal.

GovSec webcast sponsors who will be featured during the event include ePlus, EDS, Intelli-check - Mobilisa, Sig Sauer, Code3, Sage Technologies, FNH USA, Base Technologies, Enera and T3 Motion. The free live webcast will feature keynotes, interviews with industry leaders attending GovSec, U.S. Law and Ready! and highlight the latest homeland security products, services and news. Leaders in the government security, law enforcement and first response sectors will discuss the rapidly evolving demand for their services and the new technologies and solutions to meet that demand.

"We're pleased to again work with 1105 Media, a proven leader in federal trade show production, as they deploy this state-of-the-art approach in delivering the GovSec, U.S. Law and Ready! experience to our Homeland Defense TV audience, which will be archived on the channel for a full year," commented Dave Gardy, Chairman and CEO of TV Worldwide. "This has been one of our more well-attended webcasts over the past five years and the growing popularity of the show this year is a clear indication that we can again expect heavy traffic demand nationally from those who want to keep up with what's happening in this growing homeland defense sector. We are also webcasting this on our FedEdTV channel, (www.FedEdTV.com), previously launched in beta form at the FOSE show webcast to include other federal audience stakeholders."

The GovSec, U.S. Law and Ready! Conference and Exposition webcast will begin at 11 AM ET each day at www.homelanddefensetv.com, www.govsecinfo.com and www.FedEdTV.com. The webcast will be archived for a full year to permit later viewing. Participants should have the free Windows Media Player installed prior to viewing the event. Questions can be directed to 703-961-9250, ext. 235.

About TV Worldwide

Founded in 1999, TV Worldwide (www.tvworldwide.com) developed the first Internet TV network of community-based Internet TV channels, primarily targeting niche professional communities ranging from the Maritime industry to the Digital Media sector. Known by many in the industry as "Internet TV for Smart People," Fortune 500 companies, 15 federal government agencies, and numerous International associations including the National Association of Broadcasters, utilize TV Worldwide's live and archived state-of-the-art video streaming content applications and Internet TV channels. In recognition of the company's unique achievements in new media, TV Worldwide was selected by the National Academy of Television Arts and Sciences (NATAS) to webcast the Daytime Emmy Awards in 2007 and the 59th Annual Emmy awards for Technology and Engineering in 2008. CEO Dave Gardy has been honored by Streaming Media Magazine as one of the 25 Most Influential People in Streaming Media. Mr. Gardy also currently serves as the President of the International Webcasting Association (IWA) (www.webcasters.org).

About HomelandDefenseTV.com

Homeland Defense TV provides informational programming and e-learning opportunities on homeland defense topics for government and corporate security personnel, first responders and interested citizens. The programs of HomelanddefenseTV.com, a venue for interactive streaming media e-learning courses, seminars, conferences and meetings, are produced in cooperation with leaders in the homeland security sector, including Homeland Defense Journal. In addition to streaming video and audio, the site features relevant printed material and links to sites that provide additional information. HomelanddefenseTV.com is a content-rich, comprehensive source of knowledge about homeland defense, safety and security, emergency preparedness and response.

About GovSec, U.S. Law and Ready

GovSec, The Government Security Expo and Conference, features an exposition with a full spectrum of physical, IT and cyber security solutions, alongside wireless and mobility communications equipment for federal, state and local governments. GovSec is co-located with U.S. Law, the U.S. Law Enforcement Conference and Exposition for federal, state and local law enforcement and Ready, The Emergency Preparedness and Response Conference and Exposition, for state and local emergency first responders and homeland response officials. Together, GovSec, U.S. Law and Ready is a one-of-a-kind event that unites all professionals tasked with securing our homeland, from the decision-makers at the federal level to the first responders, firefighters and police officers responding to catastrophic events in their hometown and every government security professional in between.
