CHANTILLY, VA--(Marketwire - August 19, 2008) - TV Worldwide, the Internet's first TV network, announced that it had been selected by the Information Today to produce the official webcast of both the SpeechTEK 2008 and destinationCRM conferences during August 19-21, live from the Marriott Marquis in New York, NY. This TV Worldwide webcast can be viewed as a direct link from the TV Worldwide's TV Mainstream Channel (www.tvmainstream.com), and the TV Worldwide home page (www.tvworldwide.com).

The webcast will feature annual awards given to industry leading companies and luminaries by SpeechTEK and CRM magazines and important presentations and sessions from the event, as well as special video profiles of featured companies including Portrait Software and VoiceObjects.

"We're pleased to work with the Information Today as they deploy this state-of-the-art approach in delivering the SpeechTEK and destinationCRM 2008 conference content to our audience of business professionals to a live and archived on the TV Worldwide Internet TV network for a full year," commented Dave Gardy, Chairman and CEO of TV Worldwide. "These conferences highlight tools and technologies that are crucial to the success of nearly every business."

Live webcast coverage will take place from 11 AM to 3 PM ET, each day of the conference at www.TVWorldwide.com and www.TVMainStream.com where the event will be archived for a full year. Participants should have the free Windows Media Player installed prior to viewing the event. Technical questions can be directed to 703-961-9250, ext. 229.

About Information Today

Information Today is the publisher of Information Today, as well as a range of periodicals, books, directories, and online products; and is the organizer of prestigious conferences and exhibitions for the library, information & knowledge management community. The company's aim is to provide users and producers of information, knowledge and content management products and services with the information they need to do their jobs effectively.

About TV Worldwide

Founded in 1999, TV Worldwide (www.TVWorldwide.com) developed the first Internet TV network of community-based Internet TV channels, primarily targeting niche professional communities ranging from the Maritime industry to the Digital Media sector. Known by many in the industry as "Internet TV for Smart People," Fortune 500 companies, 15 federal government agencies, and numerous International associations including the National Association of Broadcasters, utilize TV Worldwide's live and archived state-of-the-art video streaming content applications and Internet TV channels. In recognition of the company's unique achievements in new media, TV Worldwide was selected by the National Academy of Television Arts and Sciences (NATAS) to webcast the Daytime Emmy Awards and the 59th Annual Emmy awards for Technology and Engineering in both 2007 and 2008. CEO Dave Gardy has been honored by Streaming Media Magazine in 2008 as one of the 25 Most Influential People in Streaming Media. Mr. Gardy also currently serves as the President of the International Webcasting Association (IWA) (www.webcasters.org).

About TV Mainstream

TV Mainstream (www.TVMainStream.com) is a featured channel on TV Worldwide's professional Internet TV network focusing on the emerging business models and technologies fueling the digital media and telecom industries. From the Emmy Awards to special FCC webcasts, industry conferences and interviews with leading figures in the industry, TV Mainstream provides a rich video resource to industry executives, analysts, press and anyone interested in learning about what's possible in the new media landscape.
