Athletic Trainers' Society of New Jersey

**ATSNJ 3rd Annual
Sports Safety Summit
Wednesday, August 1, 2012
Hyatt Regency Hotel
2 Albany St., New Brunswick NJ
For directions, visit www.atsnj.org/summit**

Course Objectives

- Define sports related concussion, and provide an overview of etiology, symptoms, evaluation, and management considerations related to athletic brain injury.
- Provide materials to better understand concussion and sport related injuries.
- Discuss current research associated with factors that influence concussion and sport related injury incidence, severity, and recovery.
- Identify and prevent problems that create safety concerns for athletes.
- Review current practices and evidence based recommendations for caring for the injured athlete.

Continuing Medical Education Credit

Athletic Trainers: The ATSNJ is an approved provider by the Board of Certification Inc. (BOC). A total of 7 CEUs may be obtained by attending this program.

Physicians

AAFP: AAFP recognizes educational content based on information from evidence-based sources as value-added CME. Increased credit is pending for the evidence-based CME presentations in this activity and will be confirmed to learners at the event.

AOA: CME activities approved for AAFP credit are recognized by the AOA as equivalent to AOA Category 2 credit. Application for CME credit has been filed with the AAFP.

For updated information regarding CME credit approval, please visit www.atsnj.org/summit.

Faculty
